

Requirements each student needs for the health office, due the day of registration.

1. Print Health Questionnaire and immunization requirements.
2. Fill out health questionnaire.
3. Check to see if you have all required immunizations.
4. Get any immunizations needed before school starts.
5. Bring health questionnaire and record of immunization to health office the day of registration.
6. Everyone must stop by the health office table at registration to get checked off. Thank you.
