We Want Parent Input!

We are recruiting parents to be an active member of our SAAC (School Accountability Advisory Committee). This organization is very important to our school's planning and review process. We need feedback and ideas from our parents that will make us a more user-friendly institution that meets the needs of our students.

An overview of SAAC:

- We meet 6 times a year (3rd Monday of each month, except Dec., Jan. and May @ 5:30 p.m. 'til 7:00 p.m.)
- Agendas are set from parent, student and staff input
- In attendance at each meeting will be the Principal, Administrators (as needed), teacher reps, student reps, and any parent who wishes to attend
- We are both an input and decision making group (depending on the issues)
- We do NO FUNDRAISING, this is strictly advisory committee
- This is a representative body of parents that gives input to the District Accountability Advisory Council and the District School Board
- We have a documented history of making many changes at TVHS that have benefitted students and parents alike.
- We would love to have representation from:
 - Parents of all grade levels
 - Parents that represent the demographics of our student body
 - Individuals who have a passion to improve our schools
 - Individuals who represent the business community
 - Those who want to serve their community
